Ground Zeroes is a shorter game than previous Metal Gear Solid titles, but it is still packed with content. The game features a variety of missions, including stealth, action, and puzzle-solving. There are also a number of side missions and collectibles to find. This guide will provide you with a walkthrough of the main missions, as well as tips and cheats to help you complete the game.

## Walkthrough

The game is divided into two main missions:

1. **Ground Zeroes:** Infiltrate Camp Omega and rescue the two prisoners.
2. **Deja Vu:** Return to Camp Omega and destroy the Metal Gear ZEKE.

### Ground Zeroes

Infiltrate Camp Omega and rescue the two prisoners.

1. Start by sneaking into the camp from the north side. There are a number of ways to do this, but the easiest way is to climb the fence and then crawl through the grass.
2. Once you're in the camp, head to the interrogation room. The prisoners are being held in a cell on the second floor.
3. Use the vents to sneak into the interrogation room. Be careful not to be seen by the guards.
4. Once you're in the interrogation room, rescue the prisoners and then escape from the camp.

### Deja Vu

Return to Camp Omega and destroy the Metal Gear ZEKE.

1. Start by infiltrating the camp from the south side. This time, you'll need to use a disguise to get past the guards.
2. Once you're in the camp, head to the hangar where the Metal Gear ZEKE is being held.

3. Use the vents to sneak into the hangar. Be careful not to be seen by the guards.
4. Once you're in the hangar, plant the explosives on the Metal Gear ZEKE. Then, escape from the camp.

## Tips
