Synopsis

The Abandoned Reincarnation Sage Vol. 1 is a fantasy light novel series about a sage who is reincarnated into another world without his memories. He must use his wits and skills to survive in this new world and uncover the secrets of his past life.

The story follows Ren, a sage who was betrayed and killed by his comrades. He is reincarnated into another world as a baby and is found by a kind-hearted couple. They raise him as their own and give him the name Allen.

As Allen grows older, he begins to display strange powers. He can cast powerful spells and has a deep understanding of magic. However, he has no memories of his past life and doesn't know why he has these powers.

One day, Allen is attacked by a group of monsters. He is able to defeat them easily, but the monsters' attack triggers a memory from his past life. He remembers that he was once a sage and that he was betrayed by his comrades.

Allen is determined to find out the truth about his past life and avenge his death. He sets out on a journey to find his former comrades and learn the reason why they betrayed him.

The Abandoned Reincarnation Sage Vol. 1 is a well-written and engaging fantasy light novel. The story is fast-paced and action-packed, and the characters are well-developed and relatable.

I particularly enjoyed the mystery surrounding Ren's past life. I was eager to learn more about his former comrades and the reason why they betrayed him. The story also has a lot of interesting world-building, and I'm looking forward to learning more about the world of Alveria in future volumes.

Overall, I highly recommend The Abandoned Reincarnation Sage Vol. 1 to fans of fantasy light novels. It's a well-written and engaging story that will keep you hooked from beginning to end.
